

GIOVANNI MESSNER

Giovanni Messner is a director and cinematographer, known for *All That Was Broken* and *Raising an Olympian*. Gio grew up in Minnesota where he learned to skateboard, build snowmen, and listen to people's stories. Now he makes lots of little movies. He's made sad ones, funny ones, spots that make you hungry or happy or make you want to hug the people you love. Mostly, he just wants to make something that reminds us we're all just beautifully human. Gio is a truly gifted storyteller who understands how to build trust and comfort with real people.
