

ROBIN MAHIEUX

Based in Asia, Robin has always been fascinated with local traditional film-making as well youth/tech cultures. Robin challenges himself to create a compelling story-telling style and experience by using 3D mapping, motion capture and live music together. Coming from a technical background in filmmaking makes Robin a perfectionist onset and a technical worker out of film sets. He polishes each of his works, crafts and video uniquely. Robin has directed worldwide with artists such as Kiko Mizuhara, Louis Koo, AngelaBaby, Jessica Jung and Henry Lau. He has also shot for large brands such as Adidas, Chanel, and Samsung, with the mind to always make the most authentic films possible.
