

SAM FAULKNER

Sam Faulkner was working as a reportage photographer when GQ commissioned him to go on the road to capture the life of the world's most glamorous photographers. Bringing his documentary eye to the fashion world, Sam began shooting behind the scenes for leading fashion brands and soon stepped up to shooting brand films. His most iconic commercials include; the D&AD Winning 'Dove Debut' which saw all the women featured cast purely on their stories, with Sam only seeing them once the cameras were rolling, and films for Adidas, Stella McCartney, Gucci, Marc Jacobs and Vogue. His various projects have earned him The Observer Hodge Award, The Winston Churchill Memorial Fellowship and The Getty Grant. Faulkner has worked alongside Bette Midler, Winona Ryder, Kate Moss, Lewis Hamilton, Christina Ricci, Will Poulter, and Katie Perry.
